CANCERCARE[®] FINANCIAL ASSISTANCE

FINANCIAL ASSISTANCE PROGRAM

Special funds for
adults and children
with ocular cancers
or any cancers that
affect vision.

CancerCare with a generous grant from the Lavelle Foundation for the Blind is pleased to offer a financial assistance program to help patients that live in the New York City Metropolitan area, New Jersey or Connecticut.

Grants are provided to assist patients who qualify with the costs of:

- Transportation
- Homecare and childcare
- Treatment expenses and co-pays
- Prescription medication
- Prosthetic devices
- Genetic counseling.

Financial assistance is granted to patients who meet CancerCare's eligibility criteria.

For more information call CancerCare at **1-800-813-HOPE (4673)**.
